West Rusk County
Consolidated Schools

Foreword

Classes and activities reflect the student life in any school. When thought of in relation to West Rusk County High School, the scenes are more interesting because they reflect the spirit of oneness and unity of the school--its administrators, its faculty, and its students. Thus, our objective is to preserve in Volume I of THE RAIDONIAN the memories of this, the first year of The West Rusk County Independent Schools.

Administration

PRESIDENT
Mr. W. H. Clark

The West Rusk County Consolidated School District was established by an order from a Rusk County judge on April 26, 1965. The school is governed by a board composed of seven members, four from the London School District and three from the Gaston School District. Each member serves a term of two years. The district covers an area of approximately 110 square miles which has a tax evaluation of approximately \$54,237,530 with a tax rate of \$1.41 per \$100 valuation.

The West Rusk County Consolidated District is comprised of six campuses--one senior high, one junior high, and four elementary schools. The building and facilities of the school plant has an insured value of \$2,270,000.

The Board of Education has general control and management of the West Rusk County Consolidated Public Schools and may establish such schools and provide such courses and other services as it deems necessary for the promotion of education and the general health and welfare of pupils. These services must coincide with the Texas laws and the rules and regulations of the Texas Education Agency.

The students and citizens of the West Rusk County Consolidated School District are indeed indebted to the members of the school board for the fine job they are doing in making our public school system a smooth and well-run organization.

Parent-Teacher Association

PRESIDENT
Mrs. Earl Blackwell

The PTA of the West Rusk Schools was organized by the parents of the former London-Gaston Schools. The organization sponsored the concession stand at all home football games to secure funds for the welfare program for needy students. The objects of the association included promoting the welfare of children and youth in home, school, church, and community; raising the standards of home life; securing adequate laws for the care of children; bringing into closer relation the home and school so that parents and teachers may cooperate intelligently in the training of the child; and developing between the general public and educators such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

Photographer, Lee Thomas, and Miss Stone check with layout designer, Jimmie Lou Norton, on the correctness of picture sizes.

Triplicate copy sheets are prepared by Sue Morris and Jane Chapman, layout designers.

Barbara Beene and David Ross compose the write-ups for the administration and the campus organizations.

Volume 1 of the Raidonian

Former members of the GASTON GUSHER and the LONDANA staffs composed the RAIDONIAN staff.

Though the organization of the club was late, each member worked tirelessly in its efforts to preserve a pictorial record of the first year of West Rusk High School.

Layout designers, Ann Clark and Karen Stevens, specify picture sizes to Glenn Rawlinson, staff photographer.

Typists--Kay Weiterman, Sharon Stevens, and Diane Posey--prepare copy for the annual pages.

Hoof Beats

Page editors confer with Mrs. Miller concerning headlines for the forthcoming issue of HOOF BEATS.

HOOF BEATS, the newspaper of West Rusk High School, was published monthly by a group of students interested in journalism. The aim of the program was to guide all of the students at West Rusk interested in writing for publications. Each student interested in writing was given the opportunity to work with the staff during the school year.

HOOF BEATS is a member of the Texas High School Press Association and the Interscholastic League Press Conference.

Making assignments was a daily task of Mrs. Miller's.

Every two weeks the circulation department made certain that each student received a copy of HOOF BEATS.

Offers Variety in News

Typists Marie Dixon and Dianne Holland demonstrate the preparation of copy for other staff members.

Mike Hay had frequent interviews with Coach Jimmy Jones for athletic stories.

Under the leadership of Mr. T. G. Hemby the West Rusk Future Farmers of America began the activities of the year by attending the Texas State Fair in Dallas where they learned new ideas about modern farming.

During the year the Greenhand Chapter conducted and participated in a leadership contest at Kilgore, Texas. The Chapter spent many hours working on their forestry plot located about one mile north of the high school campus.

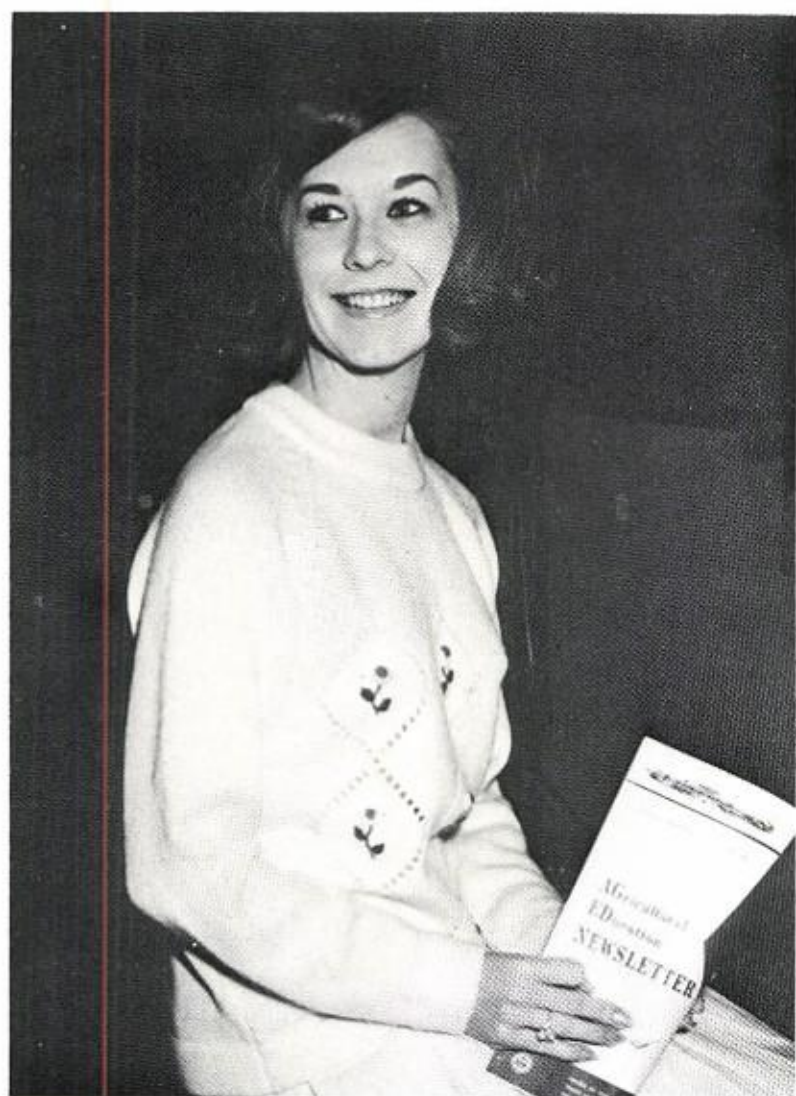

From their work together as a unit, the boys learned an excellent lesson in cooperation.

Student Council

PRESIDENT

The Student Council of West Rusk High School is composed of students from the consolidated Gaston and New London High Schools. The purposes of this organization are actually multitudinous. The council strives to develop attitudes of, and practice in good citizenship and scholarship; to improve school morale; to provide a forum for student expression; to assist in orderly direction of school activities; to assist school clubs and other organizations; and to promote the general welfare of West Rusk High School.
